INTRODUCTION

Alhamdulillah, **eNikah.in** website is community matrimonial website aimed for Sunni Muslims only (AhleSunnatWaJamat, Maslak e Aalahazrat).

In today's time there are lots of people who claim to be a practical muslims but in actual they are extremists and their beliefs are against the QuraanoSunnat.They use many tactics to divert our simple hearted Sunni Muslims from QuraanoSunnat Beliefs, among it one is Nikha which not only destroy marriage alliance beliefs (Aqeda) but of whole future generations.

Observing all this, **Sabir Ismaili (Abde Mustafa official)** from Jharkhand realized the importance of starting dedicated community matrimonial service with advance technology for AhleSunnatwaJamat. And initiated the step towards it, started free matrimonial service for Sunni Muslims on Whats app and telegram. Further with time, he realized the need of the website to make it more user friendly, and thus enikah.in website concept born.
